Thanks, [REDACTED] for the update.

Also, if you would like to meet in advance of our general on Friday, I can set something up. I know there is a lot to work through based on my update this morning.

Thanks, [REDACTED]

Is [REDACTED] addressing the comments for 21-0125? And once he does, will it run through you since [REDACTED] is out this week.

Have to do a bunch of errands today, and there are no late afternoon meetings for me, so I plan on quitting my "normal time" of 3:30 pm.

I did want to let you know what I have been doing (and plan to do) for the week:

- P-20-0005 – spoke with Ex. 6 Personal Privacy (PP); will be done tomorrow
- Biofuels – spent several hours today and have ginned something up to address your question and have circulated to others to look at first
- HazRATT – I will be spending a few hours this week working with the new leadership to finalize the charter
- I want to start (and hopefully nearly finish) the fragrance cases
- Will handle any HOF that comes up.....

Hope the rest of your day/evening goes well...
